I have lots of questions about USDA's review. If it is easier than email, we could meet in the next hour or tomorrow before the call to discuss.

My questions are:

Good Afternoon,

Mike completed his review of the Hopi Arsenic Mitigation PER and his comments are attached. After you have had a chance to review the comments you can submit a revised PER or if you would like we can set up a meeting with RD and Tribal representatives to discuss the comments prior to any revisions.

Tim, please forward the comments to Lionel. I don't have his e-mail address.

Thank you,
